Subject: Wednesday morning

Shaun,

Bob Sussman would like to have a brief call with the three of us Wednesday morning before the meeting with the tribes. As I'll be gone for a week beginning Friday, he wants to check in and ensure we're all on the same page during my absence. I told him I'd touch base with you to see if your schedule in Billings would allow a call around 8:15 or 8:30 MDT.

Thanks,
Howard
